

A simple and inexpensive **SAFER Exclusion Screening Solution** to the costly and complicated requirements relating to the screening of employees, contractors and vendors for exclusion.

## Key Highlights of **Exclusion Screening** Services:

- ✓ Search against all Federal and State exclusion lists
- ✓ Including OIG/LEIE, GSA/SAM & all available State Exclusion lists.
- ✓ Automated monthly screening & reporting
- ✓ Advanced analytics and SAFER Risks Index
- ✓ Complete screening and thorough verification
- ✓ Unlimited user logins for new hire screening

**Compliance Hotline Service** enables open lines of communications so you can address the risks earlier in the cycle before your employees, clients or others have a need to report elsewhere.

## Key Highlights of **Compliance Hotline** Services:

- ✓ 24 x 7 x 365 availability
- ✓ Dedicated toll free numbers
- ✓ Customized online reporting portal
- ✓ Anonymous and confidential reporting
- ✓ Report via phone, email fax or online
- ✓ Case and incident management system
- ✓ Secure and encrypted
- ✓ Multi language support
